Wellburn House
Ovingham, Northumberland

Welcome to a real home

Welcome to Wellburn House, located in the picturesque village of Ovingham in the Tyne Valley. The house was originally built in the late 18th Century. It was redesigned in 1986, with improvement work undertaken in 1995 and 2006, to provide the highest standards of comfort. Although close to village amenities, the house stands in a secluded position with delightful gardens and enjoys excellent views.

Our Aim

Our aim is to provide the best in care, accommodation and facilities, in a relaxed and friendly environment. Care is provided with courtesy and respect, promoting privacy, dignity and independence. Basically, care without compromise.

Activity, fun, friendship and support

Services and Health

Medical attendance is provided by the local General Practitioners; residents can continue with their own doctor should they be moving within the immediate area.

A Chiropodist visits every 3 months and a visiting Dentist and Optician provide annual 'check-up's, although additional visits are arranged to suit individual needs. Also on hand is a hairdresser who visits every week.

Activities

Stimulation is a very important part of the environment and we therefore focus on a balance of individual one to one and group activities, which include board games, topical discussions, music and dancing, hand and foot massage, yoga, walking and visits to local tourist and historical centres etc. A physiotherapist carries out a group session weekly, providing exercise with a smile.

Time to relax...

Relaxation

Separate lounges/sun lounges are available for those enjoying company or quieter moments. There is a lawned area with patio and surrounding gardens. Colour television and video with in-house video library and large print books.

The local clergy visits regularly, all religions are welcome and individual requirements are respected.

Home Cooking

We are proud of our home cooking and offer a varied menu of traditional dishes. Special diets are catered for. Details of meal times and menus are displayed in our promotional pack provided in each resident's room.

Character

Accommodation is provided for 35 residents, mostly with en-suite rooms. Residents may, if they wish, personalise their room with their own furniture and possessions.

All rooms are centrally heated and equipped with television and telephone points. There is 24 hour room service and tea and coffee making facilities are available on request. A lift is provided for easy access to first floor rooms.
